OfficeTeam offer an extensive range of furniture products and services:

Project management from a local furniture specialist

From the initial stages of design through to installation, we offer the complete management solution.

Health & safety surveys

We can carry out an on-site survey and provide recommendations to improve your employees working environment, including the equipment being used through to office layouts.

2D & 3D CAD drawings

OfficeTeam uses the latest CAD techniques to provide its clients with accurate, detailed floor plans and layouts - giving you the opportunity of arranging the office in the most cost efficient way.

Furniture recycling

For all customers upgrading or refurbishing office environments, OfficeTeam will collect, upon delivery of new products and recycle old furniture. All furniture products are either donated to charity or recycled for future use.

After sales service

An experienced after sales furniture service is available to help you after all of your furniture purchases.

Move management

We cover everything from large scale moves down to internal restructuring, our Team of fully trained experts will organise your move to prevent unnecessary disruption to your company.

ECATSS

Reduce the cost of your refurbishment or office upgrade by taking advantage of government approved tax schemes.

Property service & infrastructure

Our Facilities Management Team can help to maintain and repair your property, for an agreed amount each month, allowing you the freedom to concentrate on your business not your building.

Design & planning

We can help maximise the potential of your office, providing multiple layout and product options within your budget. Once agreed, we will organise everything from the construction of internal walls, partitions and suspended ceilings, cabling, computer networks through to heating and ventilation.

BISLEY
senator

Our partners

OfficeTeam Furniture is the largest distributor at £15 million per annum of Senator International Group, the £100+ million largest office furniture manufacturer within the UK. Senator replenishes our stock holdings at our furniture distribution centres on a weekly basis from their £3 million worth of finished stock.

We are also major distributors for Bisley, Torasen, Allermuir, Boss Design, MDK, HAG, Sven Christiansen and many other leading office furniture manufacturers.

We work hard to give our customers exceptional service, expert advice and strive to deliver to the highest standards.

Our customers

We frequently service thousands of clients including BT, T-Mobile, Vodafone, EDF and Lloyds with all of their office furniture and interior requirements.

We also service some of our largest customers – including the NHS, Waitrose and Laing O'Rourke by installing 100+ workstations with sometimes only 3 days notice!

Unique furniture distribution network

OfficeTeam offer a national furniture service with six furniture distribution centres, operating a fleet of 20 vehicles with 2 fully trained fitters in each.

We have furniture distribution centres from Southampton to Glasgow, covering the length and breadth of the UK on a daily basis. All of our sites are stocked with a variety of products from the OfficeTeam portfolio, with stock replenished by manufacturers on a weekly basis.

Our national coverage makes us ideal for multi-site businesses – with the ability to deliver a chair to London, desk to Wales and cupboard to Scotland all on the same day!

Methods of ordering

Online ordering

Manage the consistency of your furniture across all of your offices with our online ordering system, OfficeTeam Online. Using our online system, you can restrict ordering to specific furniture products, not only keeping your costs down but also making your office environments consistent.

Customer Service

Our local Customer Service Teams are on hand to help you with all of your furniture enquiries and orders, contact us on 0800 032 3611.

“We have used OfficeTeam Furniture for over three years now and find their professional, personal service invaluable when we organise office moves and the opening of new offices. We find that nothing is too much trouble for them.”
