POSTURE SEATING

OT Petite Posture

PRODUCT CODE: W9174

(POSTURE PETITE WITH HEIGHT ADJUSTABLE ARMS)

Posture Petite is designed with the smaller user in mind. The seat pad, whilst smaller, retains all the support and comfort required for long periods of seated work. Posture Petite also features a shorter gas lift height mechanism making it

ideal for users of up to 5'6". Seat and back angles can be altered independently of one another allowing maximum adjustment to the smaller users shape. The seat back with its distinctive support curvature can be height adjusted from the sitting position and features an additional inflatable lumbar support to help target lower back pain.

OT Posture Deluxe

PRODUCT CODE: W9441

(POSTURE DELUXE WITH RADIAL BACK AND HEIGHT ADJUSTABLE ARMS)

Posture Deluxe with its extra large seat and back also features an integral seat slide mechanism to adjust to differing leg length. The 'three lever' mechanism allows the user to independently adjust the angles between seat and backrest for maximum comfort. The deep curvature of the backrest encourages correct posture and the additional inflatable lumbar support provides lower back support in the right place and in the right proportions.

With its superior comfort levels and generous proportions, this is the ideal posture chair for taller/larger users.
